

CAIS HUNTS

#HUNTFORSOMETHINGGREATER

SPONSORSHIP PACKET

2019-2020

ABOUT THE CAIS HUNTS

A small business expo and a scavenger hunt meet to create the cyber hunt. Small businesses participate by becoming hunt sponsors and creating tasks for hunters to complete. Some tasks will be required to complete the hunt while others are optional and for additional points. The type of task can range from sharing something on social media to making a purchase (monetary tasks are always optional). As hunters complete the hunt they will collect codes and earn points. And like any scavenger hunt there's a prize at the end...up to \$1,000 to the participant with the highest score.

CUSTOMIZE YOUR TASKS TO FIT YOUR NEEDS.

"THE HUNT WAS FUN...I LOVED EXPLORING NEW SMALL BUSINESSES"

ALISHA LYNCH-CYBER HUNTER

THE BRAND BEHIND IT ALL

The company behind the hunts is CAIS (Connect.Adapt.Inspire.Succeed.) A small business with a mission to aide other small businesses to connect with their audiences both virtually and locally. Many small business owners try to "do it all" and it typically results in an overly stressed individual, a failed business and the worse a broken spirited entrepreneur. CAIS believes that by coming in to help these entrepreneurs to connect with their target audience, and adapt to new situations, they will be inspired and hopefully inspire others to reach their goals/dreams without giving up. Then together we all succeed.
